

**AMENDED AND RESTATED DEVELOPMENT AGREEMENT
FOR RIVER RIM RANCH DIVISION II- PLANNED UNIT DEVELOPMENT**

This Amended and Restated Development Agreement for River Rim Ranch Division II Planned Unit Development (this “Agreement”) is made this ___ day of _____, 2013, by and between Teton County (the “County”) and Big Sky Western Bank (the “Owner” which term shall include any successors and assigns of the Owner to the ownership of River Rim Ranch PUD) (collectively referred to herein as the “Parties”).

STIPULATION OF FACTS

- A. This Agreement pertains to Division II of the River Rim Ranch Planned Unit Development (“River Rim”) which was approved by the County and recognized as a master planned unit development.
- B. On July 27, 2006, a Development Agreement for Division II was made between West Rim LLC (“West Rim”) as developer and the County. The Development Agreement was recorded on August 7, 2006, as Teton County Recorder’s Instrument No. 179247.
- C. On or about June 30, 2009, the Owner acquired River Rim Ranch property (the “Project”) from West Rim pursuant to a non-merger Warranty Deed in Lieu of Foreclosure recorded on July 14, 2009, as Teton County Recorder’s Instrument No. 205788.
- D. The 2006 Development Agreement was amended by: (i) that certain Amendment to Recorded Development Agreement for the River Rim Ranch - Division II Planned Unit Development, dated November 18, 2011, recorded on December 13, 2011, as Teton County Recorder’s Instrument No. 220042 (the “2011 Amendment”); (ii) that certain Administrative Amendment to Development Agreement for River Rim Ranch Division II Planned Unit Development, dated May 14, 2012, recorded on May 17, 2012, as Teton County Recorder’s Instrument No. 222136 (the “Administrative Amendment”); and by (iii) that certain Administrative Amendment to Development Agreement for River Rim Ranch Division II Planned Unit Development, dated November 13, 2012, recorded December 14, 2012, as Teton County Recorder’s Instrument No. 225471 (the “Second Administrative Amendment”). Unless specifically indicated otherwise, the 2006 Development Agreement as amended by the 2011 Amendment, the Administrative Amendment, and the Second Administrative Amendment are collectively referred to herein as the “Prior Development Agreements.”
- E. The Owner and the County hereby amend and restate the Prior Development Agreements into this Agreement. This Agreement shall supersede and replace the

Prior Development Agreements. Provisions contained in the Prior Development Agreements that are no longer applicable are not included in this Agreement.

AMENDED AND RESTATED DEVELOPMENT AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants and conditions contained herein, the Parties hereby stipulate and agree as follows:

1. **Subdivision Description.** This Development Agreement pertains to and includes that property which is designated and identified as River Rim Ranch Division II (Div. II), which includes Phase I (consisting of sub-phases 1A, 1B, 1C, 1D, 1E, 1F, 1G, 1H and 1I, 1J, 1K, 1L, 1M, and 1N) and Phases II, III, IV, V and VI, all as illustrated on attached **Exhibit A**.

2. **Division II Phase I.** The Division II Phase I sub-phases are amended and restated as more specifically described below and in the Exhibits attached hereto.
 - (a). **Lot/Unit Reduction/Redistribution.**
 - (1) The number of units in Division II Phase I shall be reduced by 38 units from 360 units originally approved to 322 units.¹
 - (2) The Lots/Units are restated as follows:
 - (A) **Tract A.** The 20 lots for cluster cabins will be converted to lots for eight single family residential units.²
 - (B) **Tract B.** The lots for 24 cluster cabins will be converted into lots for ten single family residential units.
 - (C) **Tract E.** (Teton Rim Golf Village). This tract will be converted into 12 residential lots.³

¹ Of the 360 units originally approved, 155 units have been sold.

² The Prior Development Agreements and Master Plan Amendments authorized a total of 40 cluster cabins. Pursuant to the Administrative Amendments, the number of cluster cabins was reduced by 20 cabins, resulting in a total reduction of 32 cluster cabins and an increase of open space of about 17.39 acres.

³ The units associated with Tract E, Tract G, and Lots 29-34 Block 6 shall be deferred until a final decision is made relative to the construction of a golf course. If a golf course is constructed, the owner will apply for a plat amendment and comply with the applicable provisions established in the Teton County Subdivision Regulations to permit Tracts E and G and Lots 29-34 Block 6 to be used for purposes associated with the golf course as described herein. If no golf course is constructed, these lots and tracts shall be used for residential development and incidental uses as described herein.

(D) Incidental Uses. Commercial support uses located in Tract E including certain approved uses and restrictions subject to completion of golf course and Plat Amendment;

- Golf Pro Shop/Lounge/Restaurant/Office
- Cart Barn/Storage/Multipurpose/Office
- Swimming Pool/Spa/Health Club/Tennis Facility
- Nordic Skiing
- Fishing Pond
- Shops/Services/Office Space/Conference/Sales/Property Management
- Farm and Golf Operations/Barn/Equipment
- Property Owner's Association Operations/Barn/ Equipment
- General Storage/Multi-Purpose/Support Facilities

(E) Tract G. The Operation and Maintenance lot ("O&M lot") will be converted into 3 single family residential lots.³

(F) Lot 1B/Block 5 (North). Addition of one lot.

(G) Block 6 (South). Addition of 6 lots converted from a portion of the current proposed driving range.³

(H) West Rim Village (Block 1).

(i) Incidental Uses are:

(I) Fire Substation: Lot No. 1 (6 acres). Two of the six acres in the Southwest corner of Lot 1, Block 1 will be platted (Lot 1A) as an additional lot and reserved for a possible Teton County Fire District Substation. If no fire substation is constructed by December 31, 2026, the reservation shall be withdrawn and the lot returned to the current owner of Lot 1.

(II) Block 1 Lots 6 and 8.

- Lodge Facility: Lot 8 headquarters building can be converted into a lodge facility with a maximum of 10 lodging units and

kitchen/dining facilities and support retail shop.

- Lots 6 and 8. A maximum of 16 total lodge units are allowed including the lodge units within the converted Lot 8 headquarters building.
- The lodge units detached from the headquarters building on Lot 6 and 8 are subject to the building and design guidelines administered by the River Rim Ranch Owner's Association and review requirements.
- In addition to the headquarters building, there shall not be more than 6 additional structures created to accommodate the lodge units.
- The lodge units are not to be sold as individual condominiums.
- The lodge units are subject to Teton County standard site plan approvals and building permits.

(III) Other allowed uses:

- Self-Storage Units/Office Storage Units;
- Multi-Purpose Meeting Conference Space;
- Real Estate Office;
- Property Management Office;
- Existing Agricultural Buildings;
- Existing Storage;
- Existing Brent Hoopes Residence;
- All of the above incidental uses will be allowed to be constructed and operational upon recording of the Division II Phase I Final Plat.

(IV) Future incidental Uses. Other Future Incidental Uses only as specifically approved by the Board of County Commissioners.

(V) Incidental Use Calculations:

- Up to a maximum of 2% of total lot areas is the basis for allowable Incidental Use Area within:
 - West Rim Village (Block 1) – Lots 1-8
 - Golf Village (Tract E)
- The Planned Unit Development Master Plan (8/2013) as amended includes 1,084.7 acres of lot area which allows a maximum of 21.7 acres of Incidental Use Area.
- Incidental uses within either or both Block 1 and Tract E will remain in compliance of the 2% limitation and not exceed a total of 21.7 acres.

(b) **Tract I** shall be used as an ongoing farm and farming operation (i.e. crops, barns, potato cellars, etc.). One development unit may be used for one farm home anywhere on Tract I.

(c) **Utility Stubs and Extensions.** Utility stubs and extensions from existing infrastructure to Tract A (8 single family lots), Tract B (10 single family lots), Tract E (12 lots), Tract G (3 lots), Lot 1B/Block 5 (north) (1 lot), and Block 6 (south [6 lots]) shall be completed in any order on or before the earliest of: (i) completion of road paving in Phase I; (ii) issuance of building permits for any of these lots or tracts; or (iii) December 31, 2016.

(d) **Block 10 Lots 1-4.** A fire suppression and hydrant(s) for Lots 1-4 in Block 10 shall be completed on or before the earliest of: (i) December 31, 2016; or (ii) issuance of building permits for lots 1-4. No building permits will be issued until all the fire suppression systems are approved and accepted by the Teton County Fire Marshall.

(e) **Golf Course area.** The golf course area which is open space Tract J (about 270 Acres) of Phase I, shall be reclaimed to agricultural land and native grasses along with the construction of an internal trail system, and

water features (the “Reclamation”). The Reclamation shall be completed on a phased plan as follows:

Description	Date
Weed eradication	Summer 2013 (ongoing program)
Site grading/top soiling	Fall 2014
Agricultural practices	Spring 2015 (continued in future years)
Native grass seeding	Fall 2015
Trail system	Fall 2016
Water features/ponds	Fall 2016

- (i) Option to construct golf course. The Owner, or Property Owner’s Association (“POA”), if applicable, shall retain the option to construct a golf course until December 31, 2026.
- (ii) Transfer of Lots. In the event a golf course is constructed, the Owner or POA shall comply with the applicable Teton County Plat Amendment procedures to transfer the six lots added to Block 6 and the 3 lots created in the O&M Lot (Tract G) to Tract E as cluster units to permit Lot 6 to be used as part of the driving range and Tract G as an O&M facility.
- (iii) Golf Area Landscape Restriction Plan, Maintenance/Weed Management Plan. The 270-acre golf course interim open space area (Tract J) integrates a return to the agricultural context from which the golf course was originally developed, along with additional amenities for River Rim residents. The long-term concept is to maintain approximately 50% of the open space area in native grasses, and allow for establishment of the native shrub community, similar to the processes observed on neighboring CRP fallow croplands. The native grass/shrub community is a landscape detail that is borrowed from the final landscape design of the golf course. Native cover will be maintained throughout the golf course, with the ultimate goal of cutting tees, greens and bunkers out of the native grass/shrub areas, while preserving the outlying native plant communities in perpetuity. For this reason a native grass seed mix has already been developed by a specialist, derived from the seed-basis of native plants in proximity to the River Rim PUD project area (Table 1). Areas will be seeded with this mix, fertilized as needed, and areas reseeded as necessary to achieve a continuous native grass coverage.

Table 1. Native grass seed mix for the River Rim Division II, Phase 1 West Rim Area.

Variety	Percent Stand
Goldar Bluebunch Wheatgrass	35
Joseph Idaho Fescue	20
Sodar Streambank Wheatgrass	15
Magnar Basin Wildrye	10
Prairie Junegrass	10
Sherman Big Bluegrass	5
Sandburg Bluegrass	5

The remaining area of approximately 40% of the upland area that constitutes fairways, roughs, and golf course perimeter have been earmarked for agricultural uses. The ultimate cultivated crop will be determined by the lessee; however, either dryland wheat or barley can be anticipated. Other portions of River Rim Open Space are currently managed in this way, with lessees maintaining open space as developed agricultural plots yielding crops. From the standpoint of noxious weed eradication, either application will provide a means to curb the invasive species that have taken hold in areas of the golf course. The best long-term control technique for reducing exotic plant invasions is to establish diverse and continuous native vegetative cover. However, spot herbicide spraying of weeds will be necessary for several years prior to establishment of native plant communities. A planted cover crop, either native or grain, with concurrent applied weed control in the form of target spraying (which is ongoing throughout River Rim at present) uses competition from preferred species to control expansion of invasive plants. All details with regards to open space management, weed treatment, and agricultural leasing are handled on site by the River Rim Ranch property manager. For County oversight, the County Extension Agent, currently Ben Eborn, will periodically monitor and inspect for weed management and native grass maintenance within Tract J and report annually to the Planning Administrator. (See Exhibit A-1 for golf area landscape restoration plan.)

(f) **Road Improvements.**

- 1) **County Road 9400 West.** The relocation and widening of the County Road 9400 West to a 22 foot surface shall be completed from Highway 33 to the southwest corner of Division II Phase I to Teton County crushed gravel standard by December 31, 2014. All lots on Phase 1A plus Block 6, Lots 1-28; Block 7 Lots 1-16; Block 8 Lots 8-12; Tract C Lots 1-62; Tract D golf village chalets and Block 9 Lots 1-25 shall be eligible for sale following construction of the County Road. Pavement of the north section of County Road 9400 West shall be subject to need based upon average daily traffic exceeding 200 trips per day.
- 2) **The West Loop Road and Block 1.** The West Loop Road and the south connector to County Road 9400 West shall be completed to Teton County crushed gravel standard on or before December 31, 2015 or the issuance of any building permits.
- 3) **Remaining West Rim Loop Road.** The remainder of the West Rim Loop Road not described in 1 (e) (1) and (2) above, and the roads in Block 1 shall be completed to Teton County crushed gravel standards on or before December 31, 2016, or prior to the issuance of any building permits.
- 4) **Turning Lanes.** Asphalt pavement for turning lanes on State Highway 33 (Main entrance) shall be completed by the earlier of: (i) commercial development referred to in paragraphs 2(a)(2)(H)(i)(I)(II) and (III); (ii) a mandate of the Idaho Transportation Department (“ITD”); (iii) the issuance of 30 building permits; or (iv) by December 31, 2026. The north and west entrance turning lanes will not be required unless additional commercial development is planned for the West Rim Village area.

(g) **Road Paving.** Asphalt paving of the roads described in paragraphs 6 (1) (2) and (3) shall be required on the earlier of: (i) the issuance of 30 residential building permits; or (ii) December 31, 2026.

(h) **Future Wastewater Modules.** As of October 2010, River Rim Ranch completed the first 30,000 gallons per day capacity module of a wastewater pre-treatment system which includes primary and backup leachfields with a total combined capacity of 60,000 gpd. The wastewater pre-treatment system is designed to be enlarged to 120,000 gallons per day

with a total of four (4) 30,000 gallon per day pre-treatment modules, which units are designed to reduce the overall nitrogen concentrations in the effluent discharged to the leachfields. Construction of an additional module will be determined from an analysis, to be reviewed and approved by the Idaho DEQ and Teton County, of the actual maximum daily flow in comparison with the number of units constructed and occupied, when the flow reaches 50 percent of the designed capacity, or about 15,000 gpd for the first phase. From this analysis, a determination will be made of the number of units using the system that would result in a maximum day flow of not more than 80 percent or 24,000 gpd of design capacity. The Owner shall be required to commence construction of the next treatment module once the projected number of units that would consume 80 percent of design capacity exist. The Owner shall provide annual reports of the measured flow entering the waste water facility no later than February 1st of the year to both the DEQ and Teton County.

Payment for an additional wastewater module will be paid by purchasers of building units on a pay for use fee basis assessed at the time applications for building and occupancy permits are filed for new building units and these payments will be deposited into an escrow account for construction of a new module (the "Wastewater Escrow Account"). County approval must be obtained by Owner (or POA) before any funds can be withdrawn from the Wastewater Escrow Account. The future wastewater module construction shall be based upon measured flow and not associated with a specific development phase. Failure to complete the next module of the pre-treatment system in accordance with this requirement shall result in the withholding of any new building or occupancy permits by Teton County until the additional module is in operation. The County shall retain the right to withhold building permits or occupancy permits if there is substantial reason to believe that the capacity of the treatment facility will be exceeded or negatively impacted by excessive flows.

Due to the likelihood that a new wastewater treatment module will not be required for ten years or longer, in lieu of a letter of credit, the Bank agrees to establish and maintain an escrow account whereby tap fees collected at the time a building permit is issued will be set aside for use in the construction of the next module. The escrow account will be managed by the Owner or by an existing POA. An initial tap fee amount of \$7,500 per residential unit, or the equivalent flow, shall be required, which fee shall be adjusted from time to time to insure adequate funds for the construction of the next module in accordance with this section of the agreement.

- (i) **County Acceptance of Completed Infrastructure.** The Owner may submit a request to the County for approval of completed infrastructure on a line-item basis as completions are accomplished. The Owner shall also provide documentation from an Idaho Registered Engineer certifying that the improvements have been completed in general compliance with the design. Upon the County's acceptance of the infrastructure, the County shall provide written acceptance of the completed infrastructure and release any Letter of Credit, or portion thereof, for that specific infrastructure/line-item. The County shall retain twenty-five percent (25%) of the original amount of the line item until the one year warranty period has expired, at which time said amount will be released to the Owner.
 - (j) **Letter of Credit.** The improvements described in paragraphs 2 (b), (c), (d), (e), (1), (2), (3), (4) and (f), will be subject to an updated letter of credit in an amount which is one hundred twenty-five percent (125%) of the engineers estimated cost as stated in Exhibit B. No letter of credit will be provided for the improvements described in paragraph 26. The letter of credit shall be provided at or before the recordation of the final plat. The Letter of Credit or portions thereof will be released by the County as described in paragraph 9.
 - (k) **Phasing Plan.** A proposed phasing plan for the completion of infrastructure within Division II Phase I as described in the preceding paragraphs is attached hereto as **Exhibit C**.
3. **Division II Phase II (Norman Ranch/Western Highlands).** Division II Phase II will be reduced by 25 lots (about 215.23 acres of development area) (See **Exhibit A**). On or about November 1, 2012, the Ownersold the Norman Ranch/Western Highlands to Teton River Farms, LLC, a Colorado limited liability company. The sale is evidenced by a Purchase and Sale Agreement ("PSA") and by that certain Fourth Supplement to Fourth Amendment to Master Declaration of Covenants, Conditions and Restrictions for River Rim Ranch made effective as of November 1, 2012, and recorded on November 1, 2012, as Teton County Recorder's Instrument No. 224816 (the "Fourth Supplement to the CC&Rs"). Under the PSA and the Fourth Supplement to the CC&Rs, and notwithstanding said sale, except for being excluded from the Common Interest Community and from the Master Association for assessments, the Norman Ranch/Western Highlands is subject to this Agreement, the CC&Rs and the design/property use restrictions contained in the CC&Rs.

4. **Division II Phase III (Central Plateau).** Division II Phase II will be reduced by 11 lots (about 56.84 acres of development area) (See **Exhibit A**). On or about June 5, 2012, the Owner sold the Central Plateau to Teton River Farms, LLC, a Colorado limited liability company. The sale is evidenced by a Purchase and Sale Agreement (“PSA”) and by that certain Third Supplement to Fourth Amendment to Master Declaration of Covenants, Conditions and Restrictions for River Rim Ranch made effective as of June 5, 2012 and recorded on June 7, 2012, as Teton County Recorder’s Instrument No. 222479 (“Third Supplement to the CC&Rs”). Under the PSA and Third Supplement to the CC&Rs, and notwithstanding said sale, except for being excluded from the Common Interest Community and the design/property use restrictions contained in the CC&Rs, the Central Plateau is subject to this Agreement and the CC&Rs.

5. **Division II Phase IV (West Plateau).** Division II Phase IV will be reduced by 17 lots (about 132.91 acres of development area) (See **Exhibit A**). On or about January 4, 2012, the Owner sold the West Plateau to John Clint (Jack) Hoopes and Lorna Hoopes, husband and wife (“Hoopes”). The sale is evidenced by a Purchase and Sale Agreement (“PSA”) and by that certain Second Supplement to Fourth Amendment to Master Declaration of Covenants, Conditions and Restrictions for River Rim Ranch made effective as of January 4, 2012 and recorded on January 6, 2012, as Teton County Recorder’s Instrument No. 220365 (“Second Supplement to the CC&Rs”). Under the PSA and the Second Supplement to the CC&Rs, and notwithstanding said sale, except for being excluded from the Common Interest Community, the Master Association assessments, and the design/property use restrictions described in the CC&Rs, the West Plateau is subject to this Agreement and the CC&Rs.

6. **Division II Phase V (North Plateau).** Division II Phase V will be reduced by 18 lots (about 119.19 acres of development area) (See **Exhibit A**). On or about September 28, 2010, the Owner sold the North Plateau to Mark R. Ricks, Chris P. Ricks, Nick Ricks and Sylvia Ricks (“Ricks”). The sale is evidenced by a Purchase and Sale Agreement (“PSA”) and by that certain Amended and Restated Supplement to Fourth Amendment to Master Declaration of Covenants, Conditions and Restrictions for River Rim Ranch made effective as of September 29, 2010, and recorded on November 29, 2010, as Teton County Recorder’s Instrument No. 214487 (the “Amended Supplement”). Under the PSA and the Amended Supplement, and notwithstanding said sale, except for being excluded from the Common Interest Community, the Master Association assessments and the design/property use restrictions described in the CC&Rs, the North Plateau is subject to this Agreement and the CC&Rs.

7. **Division II Phase VI (South Canyon).** Division II Phase VI will be modified by eliminating 24 cluster cabin units and adding 33 lots for a net increase of 9

single family residential units (total of 64 units and increase of about 22 acres of development area) (See **Exhibit A**).

8. **Platting and Improvements for Divisions II, III, IV, V and VI.** Division II Phases II-VI improvements shall be completed by December 31, 2026. Division II Phases II-VI are eligible for final platting in accordance with the attached master plan (See **Exhibit A**) so long as this Agreement has not been breached. Failure to plat and complete any improvement in accordance with the timelines in this Agreement shall result in a breach of this Agreement and may result in the vacation or partial vacation of the Master Plan. All applicable subdivision and zoning regulations in effect at the time shall govern the future use of the land. The Owner may apply to amend the latest approved Master Plan and subsequent amendments thereto at any time prior their vacation. All final plats must be approved by the Teton County Board of County Commissioners.
9. **Guarantee of Improvements.** The Owner warrants that each completed improvement will operate in accordance with its intended use for one year from the date that improvement is accepted by the County.
10. **Building and Occupancy Permits.** Building permits and certificates of occupancy shall be issued by Teton County in accordance with the Phasing Plan (**Exhibit C**).
11. **Public Benefits.** The following public benefits shall be provided:
 - (a) Acreage adjacent to the Teton River shall be used as an interpretive river park. This park will be located and constructed by the Owner and maintained at the expense of the POA and shall be made available to the public on a reservation basis administered by the POA. A temporary interpretive river park was completed as part of Division I. The permanent interpretive river park will be finished upon completion of the South Canyon Development (Phase VI) described in paragraph 17 above, or December 31, 2026, whichever occurs first.
 - (b) Snowmobile access along County Road 9400West.
 - (c) Pathway on West Loop Road located within the River Rim Subdivision.
12. **Order of Completion.** Development of Division II Phases II-VI may be commenced in any order or simultaneously as determined by the Owner once the roads in Division II Phase I are completed to Teton County crushed gravel standards. The infrastructure for Phases II-VI of Division II must be complete before lots in those phases can be sold.

13. **Density.** The modifications to density by phase are amended as more specifically described in **Exhibit D** attached hereto.
14. **Voluntary Impact Fee Commitment.** The Owner agrees to provide \$1,000.00 per lot to the County at the time of final plat recording of each phase of Division II.
15. **Inspection.** Representatives authorized by the County shall have the right to enter upon the property at any reasonable time to inspect and determine whether the Owner is in compliance with this Agreement. The Owner shall permit the County and its representatives to enter upon and inspect the property at any reasonable time.
16. **Final Inspection and Approval of Improvements.** The Owner shall notify the County when it believes any improvements have been fully and properly completed and shall request final inspection, approval, and acceptance of the improvements by the County. Upon approval the County shall give its written acceptance of the improvements.
17. **Default.** If the Owner defaults in or fails to fully perform any of its obligations in accordance with this Agreement, or fails or refuses to correct any defect or deficiency in the improvements required by the provisions of this Agreement and such default or failure shall continue for a period of thirty (30) days after written notice specifying the default is deposited in the United States mail addressed to the Owner, without being completely remedied, satisfied and discharged, the County shall have, and the Owner hereby grants to the County, in addition to all other rights afforded to the County in this Agreement and by law, the right, at the County's option, to complete the construction of the improvements or to correct such defect or deficiency. The County may draw on the letter of credit pursuant to the terms of the Letter of Credit and this Agreement, that amount required to complete the improvements on a line-item basis. The amount drawn at any one time shall be based on a bid, invoice, or other document reflecting the cost of completing the specific line item in dispute. The County must commence the work within 365 days of drawing the funds from the Letter of Credit. Notwithstanding any provisions in the Letter of Credit or this Agreement, the Letter of Credit shall be automatically extended, renewed and remain binding on owner until such time as the improvements are completed and accepted by Teton County. The County may enforce any other remedy provided by law. These remedies are cumulative in nature. In addition, if the Owner is in breach of this Agreement, that is uncured after any applicable cure period, the most recently approved Master Plan may be vacated for all unplatted phases of the project (Phases II-VI) and all applicable subdivision and zoning regulations in effect at

the time shall govern the future use of this land. Prior to the expiration of the time limitations above, and without causing a breach of this Agreement, the Owner may apply to vacate all or a portion of any platted phase or amend the design of the platted lots in accordance with applicable subdivision and zoning regulations.

18. **Liability and Indemnity of County.**

(a) **No Liability for County Approval.** The Owner acknowledges and agrees (1) that the County is not, and shall not be, in any way liable for any damages or injuries that may be sustained as the result of the County's issuance of any approvals or acceptances of the improvements or use of any portion of the improvements, and (2) that the County's issuance of any approvals or acceptances does not, and shall not, in any way be deemed to insure the Owner, or any of its successors, assigns, tenants, or licensees, or any third party, against damage or injury of any kind at any time.

(b) **Indemnification.** The Owner agrees to, and does hereby, hold harmless and indemnify the County, and all of its elected and appointed officials, officers, employees, agents, representatives, engineers, and attorneys from any and all claims, costs and liability of every kind and nature that may be asserted at any time against any such parties for injury or damage received or sustained by any person or entity in connection with (1) the development, construction, maintenance or use of any portion of the improvements and, (2) the performance by the Owner of its obligations under this Agreement and all related Agreements. The Owner further agrees to aid and defend the County in the event that the County is named as a defendant in an action concerning the improvements provided by this Agreement except where such suit is brought by the Owner. The Owner is not an agent or employee of the County. This indemnification does not extend to claims, costs and liability asserted by the Owner or any third person in the event the County fails in its duties and obligations to Owner or any third person as set forth in this Agreement or by law.

19. **No Waiver of Rights.** No waiver of any provision of this Agreement will be deemed to constitute a waiver of any other provision nor will it be deemed to constitute a continued waiver unless expressly provided for; nor will the waiver of any such default under this Agreement be deemed a waiver of any subsequent default or defaults of the same type. The County's failure to perform any obligation under this Agreement will not constitute the approval of any wrongful act by the Owner or the acceptance of any improvement.

20. **Assignment.** It is expressly agreed that the Owner may assign this Agreement, in whole or in part, to any third party, without prior written consent of the County.

21. **Notices.** All notices in connection with this Agreement shall be in writing and shall be deemed delivered to the addressee thereof (1) when delivered in person on a business day at the address set forth below or (2) on the third day after being deposited in the United States mail, for delivery by properly addressed, postage prepaid, certified or registered mail, return receipt requested, at the address set forth below.

Unless notified otherwise, notices to the County shall be addressed to, and delivered at, the following address:

Teton County Commissioners
Attn: Planning Administrator
Teton County Courthouse
150 Courthouse Drive
Driggs, Idaho 83422

Unless notified otherwise, notices to the Owner shall be addressed to, and delivered at, the following address:

Don Chery
Executive Vice President and Chief Administrative Officer
Glacier Bancorp, Inc.
49 Commons Loop
Kallispel, Montana 59901

22. **Enforcement.** The parties hereto may, in law or in equity, by suit, action, mandamus, or any other proceeding, including without limitation specific performance, enforce or compel the performance of this Agreement.
23. **Other Requirements.**
- (a) **Conveyance of Individual Lots.** The Owner shall convey no individual lots to individual buyers until the applicable infrastructure is complete, approved by the County and the Phased Final Subdivision Plats in which the individual lots are located have been recorded.
 - (b) **Certificate of Occupancy.** Except as otherwise provided herein, building permits shall be issued in accordance with the Phasing Plan (**Exhibit C**). However, Certificates of Occupancy for residential units will not be issued by the County, until the applicable infrastructure is complete for each phase, or other

arrangements have been made and agreed to in writing by the Owner and the County.

- (c) **Common Water and Wastewater System.** Operation and Maintenance of Common Water and Wastewater Systems, and irrigation water/fire suppression systems (hydrants) will be the responsibility of the Property Owners Association.
 - (d) **Roadway/Path Maintenance.** The Owner will maintain all internal roadways.
 - (e) **Acknowledgment of Other Permitting Requirements.** The Owner acknowledges the requirement for approvals and permitting from the State Department of Environmental Quality (“DEQ”) for sewer and water improvements, District 7 for septic systems, Corp. of Engineers for Wetlands permitting, Idaho Department of Highways for Route 33 intersection upgrades; Idaho Department of Water Resources for wells and irrigation and other State or Federal requirements. DEQ approval is required prior to sewer and water improvements. Construction activities subject to these permitting requirements will not commence until permits are received and permit copies provided to the County Planning Office.
 - (f) **Right to Farm Provision.** The Owner acknowledges the Right to Farm Act contained in Idaho Code Chapter 45, Sections 22-4501 through 22-4504 or as may be amended.
24. **Common Areas.** The common areas for River Rim Ranch Divisions II, Phases I through VI are shown on **Exhibit A** and will be managed by the Property Owners Association, subassociations, club operations or the private owners to whom title to such area is conveyed.
25. **On-Site Security.** The Owner will provide on-site security presence with trained personnel in cooperation with the Sheriff’s Office and the Fire Marshall’s Office. The on-site security is secondary and subservient to the Sheriff and Fire Marshall but will provide the on-site presence for:
- General information and directions
 - Routine patrolling
 - Local help with minor problems such as lost pets, missing keys, stuck vehicles, minor injuries, etc.
 - Reporting of bigger problems to Sheriff or Fire Marshall offices.

26. **Teton County Pipeline Association.** The Project falls within the jurisdiction of Teton Pipeline Association, Inc. (TPA), for surface irrigation water and the Owner will abide by the Bylaws, Operating Agreements, prorata cost sharing provisions, and other mutual agreements within TPA jurisdiction. Shares of TPA stock or water rights pertaining to the River Rim Ranch property will be held as follows. The Property Owners Association or subassociations may hold TPA stock in common for lots and common areas that are subject to phased Final Subdivision Plats. The Property Owners Association, subassociations, or private property owners may hold TPA stock for open areas and farm/ranch areas and for areas that are not yet subject to a phased Final Subdivision Plat. Notwithstanding the foregoing, it is understood that, with respect to open areas and farm/ranch areas that are subject to a Final Subdivision Plat, the private owner of such parcel(s) may continue to hold TPA stock and exercise all rights associated therewith. A single “Water Master” for River Rim Ranch will be appointed to work with the Board of Directors of TPA.
27. **Public Improvements Provision.** The Owner shall be responsible for public improvements and shall not transfer initial construction obligations and the responsibility for completion of public improvements to the lot owners. Improvement District assessments, Owner’s Association assessments, sewer and water company or district assessments, etc., are not encumbered by this provision.
28. **Open Area Provisions.** The Owner will maintain all open space areas free of noxious weeds, free of fire hazards or other nuisances under the administration of the POA. The Master Declaration of Protective Covenants, Conditions and Restrictions for River Rim Ranch and the amendments and supplements thereto set forth these provisions.
29. **Adjacent Neighbor Provisions.** Owner agrees to maintain a 200' separation from all building envelopes to adjacent property which has adjacent residential uses.
30. **Sharing of Development Costs.** The County has approved a Letter of Notification to the County, regarding Sharing of Development Costs (Teton County Subdivision Regulation Section 9-4-2 (G) as revised on May 12, 2011) submitted to the County which entitles the Owner to collect a pro-rata share of compensation for a portion of the costs of the public improvements required by the Teton County Subdivision Ordinance from adjacent property owners.
31. **Filing.** The Owner may record this Agreement in the office of the Teton County Clerk and Recorder.

32. **Binding on Successors.** This Agreement shall be binding, inure to the benefit of, and be enforceable by the parties hereto, their respective successors and assigns and runs with the land.
33. **Entire Agreement.** This Agreement constitutes the entire understanding among the Parties hereto in connection with the subject matter, and except as otherwise provided herein, supersedes and replaces all prior negotiations, agreements, understandings, or representations whether oral or written. The terms of this Agreement may be modified only in writing, by the authorized signature of all of the Parties.
34. **Time is of the Essence.** Time is of the essence in the performance of all terms and provisions in this Agreement.
35. **Waiver of Claims.** Each of the Parties hereby waives and releases any and all claims or causes of action they have or may have against the other, and their respective officers, directors, employees, agents and attorneys, resulting from any claims or causes of action occurring prior to the execution of this Agreement.
36. **Statement of Fact.** The statements set forth in the Stipulation of Facts above are facts upon which the parties agree and are not to be construed as mere recitals. Said statements of fact are incorporated into this Agreement by reference as if set forth fully.
37. **Amendments.** All amendments to this Agreement shall be in writing and shall be approved by the Owner and the County.
38. **Severability.** The invalidity or unenforceability of any provision of this Agreement shall not affect the other provisions hereof and this Agreement shall be construed in all respects as if such invalid or unenforceable provisions were omitted.
39. **Authority to Execute.** The Parties hereby warrant and represent each to the other, without any limitation or qualification that (i) they are duly authorized and empowered to enter into and sign this Agreement; (ii) the persons executing this Agreement on behalf of the Parties are authorized to do so; and (iii) this Agreement is valid, binding and enforceable on the Parties in accordance with its terms.
40. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of Idaho and jurisdiction and venue for any litigation of this Agreement shall be in the state or federal courts of the State of Idaho.

41. **Attorney Fees.** Should any litigation be commenced between the Parties concerning this Agreement, the prevailing party shall be entitled, in addition to any other relief as may be granted, to court costs and reasonable attorneys' fees as determined by a court of competent jurisdiction.

IN WITNESS WHEREOF the Parties have hereunto set their hands on the date first above written.

BIG SKY WESTERN BANK

By: _____

Don Chery
Executive Vice President and
