

# Annual Windbreak TREE SALE

Sponsored by Teton Soil Conservation District

275 Old Railroad Way

Driggs, Idaho 83422

Phone: (208) 354-2680 ext.4

*TSCD staff on hand : Wednesdays 1-4:30 PM*

Mail or drop your order form off at the Teton SCD office by  
4:30 PM April 10th, 2015. Orders received after this date will not be considered.

In Cooperation with Trail Creek Nursery and Kearsley Trees Inc.

Many Kearsley Trees Inc. and some Trail Creek Nursery potted varieties are over-wintered in Teton Valley

Our sale prices are below nursery retail

Limited Quantities Available - first come basis

## TERMS OF SALE:

1. Cash and checks payable to the Teton Soil Conservation District are accepted forms of payment. **Payment is due at the time of order.**

2. Trees will be available for pickup at both Trail Creek Nursery & Kearsley Trees, Inc **Wednesday, May 6, 2015 between 8am and 6pm. Prearrange other pickup times with nursery if needed.**

### **Trail Creek Nursery**

7095 S Hwy 33  
Victor, ID 83455  
(208) 787-2470

### **Kearsley Trees Inc.**

7879 S 2740 W  
Victor, ID 83455  
(208) 787-4449

**Fabric mulch** available for pickup from Teton SCD office. You will be notified when it is available. New sizes

3. Teton SCD, Trail Creek Nursery and Kearsley Trees Inc. will not be held responsible for potted species left at the nursery longer than 1 week past pickup date: May 13th. Please make arrangements with nurseries if you have a conflict with pickup dates and times.

4. Please check your order at time of pick-up and discuss any issues of plant health or quality with nursery staff. Shortages in orders must be reported at time of pick-up at Trail Creek Nursery or Kearsley Trees Inc.

5. **Teton SCD does not guarantee tree survival. Planting and care of seedlings are the responsibility of the purchaser. Written planting instructions are available for bare root and potted plants at the TSCD office or by email.** Please note plants need to receive the proper nutrients, be irrigated properly and protected from wind and wildlife such as voles, gophers, rabbits, elk, deer, moose, and others. Keep plants out of wind and direct sunlight prior to planting. Do not allow bareroot specimens to dry out.
