REASON FOR DEMANDING THE RECALL OF TRUSTEE NANCY ARNOLD:

Mrs. Arnold does not represent the views of the patrons in Zone 5 concerning the direction the schools should be going.

TRUSTEE NANCY ARNOLD'S JUSTIFICATION OF HER COURSE IN OFFICE:

As a school board trustee I have made every effort to study the issues and to educate myself on all points that are critical to a decision. Teton School District school board members adhere to a Code of Ethics known as Policy #1600. This policy states that a trustee shall "render all decisions based on available facts and each board member's independent judgment, and refuse to surrender that judgment to individuals or special interest groups." The policy also affirms that "...a board member's first and greatest concern must be the educational welfare of the students attending the public schools."

The code of ethics stated in the district policy is important to me. I did not have a personal agenda coming into this position and I have worked hard to be open minded and well educated on the issues. As a public official I have worked to maintain integrity as well as to serve the community and our schools in my position as a trustee.

I urge you to allow me to continue to serve our community.
