

2020 SPECIAL ROAD LEVY

A yellow backhoe loader is positioned on a wide, gravel-covered road that stretches into the distance. The road is flanked by green grass and trees. In the background, there are rolling hills and mountains under a clear blue sky. A wooden fence and a building with a green roof are visible on the left side of the road.

2020 SPECIAL ROAD LEVY

A yellow CAT motor grader is shown from a rear-quarter perspective, working on a dirt road. The road is a mix of brown and tan soil, with some darker patches. The grader is moving away from the viewer, leaving a trail of dark soil behind it. The background consists of rolling hills under a cloudy sky. A fence line runs along the left side of the road, and a utility pole is visible on the right. The overall scene is a rural, agricultural setting.
