Call to Order.

Roll Call:

ACTION ITEM: Approve minutes from previous meeting.

AGENDA ITEMS:

1) This is a special working meeting to continue developing and revising the documents and recommendations related to natural resource technical reviews for the county. These include the main draft NRA document; an IDFG approved checklist; Habitat and Vegetation document; and possibly biologist application. Time permitting, work may also proceed on determining recommendations for changes in code language. Any or all of these documents and recommendations that are finalized at this meeting may proceed to committee vote.
